Independent Accountants' Report

The Auditor General of the State of Arizona and
The Honorable Mayor and City Council
City of Somerton, Arizona

We have examined the accompanying Annual Expenditure Limitation Report of the City of Somerton, Arizona, for the year ended June 30, 2019, and the related notes to the report. The City's management is responsible for presenting this report in accordance with the uniform expenditure reporting system as described in note 1. Our responsibility is to express an opinion on this report based on our examination.

We conducted our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether this report is presented in accordance with the uniform expenditure reporting system in all material respects. An examination involves performing procedures to obtain evidence about the amounts and disclosures in the report. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of the report, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, the Annual Expenditure Limitation Report referred to above is presented in accordance with the uniform expenditure reporting system as described in Note 1 in all material respects.

CITY OF SOMERTON, ARIZONA
Notes to Annual Expenditure Limitation Report
Year Ended June 30, 2019

Note 1. Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the *Uniform Expenditure Reporting System* (UERS), as required by Arizona Revised Statutes §41-1279.07, and in accordance with the voter-approved alternative expenditure limitation plan adopted May 15, 2001, as authorized by the Arizona Constitution, Article IX, §20 (9). The voter-approved alternative expenditure limitation was extended.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed in part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds, Statement of Revenues, Expenses, and Changes in Net Assets for the Proprietary Funds, and Statement of Cash Flows for the Proprietary Funds.

Note 2. Reconciliation Subtractions and Additions

The addition of \$725,927 for principal payments on long-term debt in the Enterprise Funds consists of \$619,602 paid on notes payable, \$46,326 paid on lease payable, and \$60,000 paid on bonds payable during the current fiscal year. The addition of \$1,052,012 for acquisition of capital assets consists mainly of improvements to the sewer collection system in the sewer fund.

The reduction of \$23,595 for pension/OPEB expense consists of the change in the net pension/OPEB liability recognized in the current year in the proprietary funds. The addition of \$125,136 for pension contributions paid in the current year consists of the required pension/OPEB contributions made to the Arizona State Retirement System from the proprietary funds.

Note 3. Exclusions

Exclusions from local revenues, including those enumerated in the Constitution, may be taken against alternative expenditure limitations only if such exclusions are specifically identified in the resolution and the publicity pamphlet. The government's most current resolution specifies exclusions that may be taken, however no exclusions are reported within this document.
